ENTRANCES

The Grand Suite has it's own separate, private entrance which is located to the side of the main bowling centre front entrance.

Entrance to the Studio Suite is also separate but is reached through the main entrance to the Centre.

For larger events that will be using both The Grand Suite and The Studio Suite combined, the separate and private entrance will be available.

PRIVATE BOWLING

Why not have some fun and finish off your event or conference with a few games of bowling?

If you are in a large group this can easily be arranged for you in our private upper floor bowling alley which you can easily get to from both our Suites.

For smaller parties we can reserve some lanes in the main bowling area downstairs. Either way it will be a great way to finish off your time at Rowans in style.
